

For anyone that does not already know, Tammy and (Lieutenant) Paul O'Conner's house was totally destroyed by a fire yesterday; they left with the clothes on their back and 2 vehicles, fortunately no one was hurt.

I just spoke to Paul, things are starting to move, and they are going to stay at the Chesapeake Beach Hotel until the end of the week. They have an offer on a rental property and are looking at a few others. I have had a couple calls offering TVs etc. In an effort to compile a list that Tammy and Paul can use to see what people have offered and to have an idea of items needed I would like for anyone that would want to lend a spare TV, Microwave, futon, couch, table, TV stand, desk, dishes,.....I think you get the point. Email me [Donald Gibson – [sgibson@webowers.com](mailto:sgibson@webowers.com) – **443-404-9814**], I will start a list and by Monday of next week will re-circulate it to all attached on this email. Feel free to send this to friends and family. There is a possibility that they may move into a fully furnished house and not have a need for anything. This would be to furnish their temporary residence until their house is rebuilt, at that time you can have your items back or offer it to the O'Conner's to keep. With everything that they already have to be concerned with it would be nice to have this off that list.

Reminder, the dance on March 13<sup>th</sup> at the North Beach VFD is a benefit dance for the O'Conner family. Check out [www.northbeachfire.com](http://www.northbeachfire.com) for more details.

**This Email was forwarded to me from the Assistant Chief Donald Gibson of North Beach Fire Department, where Lt. O'Conner is a volunteer. Please forward to everyone you possibly can, so we can ensure that the O'Conner family is taken care of in their time of need. My cell is 443-975-4295 if anyone has anything available to let the O'Conner Family borrow. I will gladly come pick it up myself regardless of where it is located.**
