Local 36 - Ben Self: Ben talked about the last L-36 Board of Director's meeting on Dec 14th and general membership meeting held on Dec 28th. A mutual arbitrator was finally selected for L-36's contract with the city. A meeting is scheduled for Jan 11th. L-36's office building at 2120 Bladensburg Rd is being sold. The Teacher's Union and the Teamsters made offers. Their offers didn't work out for one reason or another, so L-36 is pursuing buying the building and land. More details to follow as still nothing is final at this time. The Locals' website is www.IAFFLocal36.org. Ben has RFA and L-36 window decals as well as 2010 work schedules. L-36 is currently collecting information that will help them in seeking a Presumptive Legislation Bill concerning past or current heart, lung or certain covered cancers that may have been caused by the job. This bill would cover active members as well as retired members that retired within the approved time frame. At this time, L-36 only needs information on retired members that have had cancer or those that have passed as a result of cancer. Please call or email any RFA Board member the following; how long they were retired when they took ill with cancer and what type of cancer. See www.WashingtonEmeralds.org/RFALite.htm for further details.

Old business – George Kenney reminded everyone that our members will receive a supplement list of departed members and new members instead of a complete Information/Address book for 2010. Keep and use the 2009 book! It will only be published every other year, i.e.: 2011, 2113 etc.

New Business - A book has just been published by our member Gerry Spence titled "The War" The 361 Days, 12 Hours and 27 minutes in Viet Nam. Don't forget the 2010 annual \$60 dues for L-36. Their reminder letter

should be received in the mail shortly. If you've been a member for 50 years, let them know as you don't have to pay anymore. Also RFA's annual \$40 dues are also due for 2010. George's letter should have been received several weeks ago.

Good & welfare – Grand Pooba Butch Oliff and 3rd Grand Pooba Eddie Flynn couldn't make tonight's meeting cause they are out on the Potomac River playing Ice Breaker with other DCFD people. Probably some food and maybe a beer or two is involved.
